PLEASE READ BEFORE ORDERING

Due to increased postal rates, it will be necessary to add 75¢ to all orders, outside of Florida, on orders of \$3.00 and under; and a charge of \$1.00 on all orders of r. c. and plants over \$3.00. Leaf orders of \$3.00 and under will be 50¢ postage and packing, and all over \$3.00 will be 75¢.

Florida customers please add 50¢ postage and packing on \$3.00 and under orders, and 75¢ on all orders over \$3.00.

PLEASE allow for Special Handling and Special Delivery, Air Mail etc. if you wish your order sent either way. I insure all orders out of Florida for safe delivery. If your box is damaged please contact your postmaster at once and file claim. I hold the insurance receipt and will mail to you if you let me know.

Orders outside of the continental U. S., Hawaii, Alaska, C. A. etc, will have to go via Air Mail. Please allow for same.

Gift leaves will be included in all leaf orders; please select your gift leaves from the 35¢ varieties.

PLEASE name a few substitutes; I do not substitute unless I am out of what you want; otherwise I will substitute of equal value or better.

Of those varieties where leaves only are offered for sale ... I will root your 35¢ leaves for 50¢, or will grow r. c. for 60¢ for you if ordered ahead. On the 50¢ leaves the cost of rooting them will be 75¢ and \$1.00 for r. c.

CODE --- Varieties with one \* in front of the name means that leaves cannot be taken off that plant until May, but I may have sm. pl. of these sooner. Those varieties with two \*\* in front of, may not be ready to take leaves off until August or Sept.; some in July.

R. C. means rooted cutting with small plants on; on the newer varieties they may not be ready to divide; s. p. means small plants well established, out of small pots. L. means fresh leaf.

I will have a few specimen plants at all times; no shipping on these. Most of them will be grown under fluorescent lights.

I thank each and all of you who have written me such lovely letters and sorry it was impossible to answer them.

VISITORS are welcome any day except Saturdays. I am located in the North Central part of Orlando, one block south of Par Avenue, and the second house on the north side of the street, west of DePauw St. (I may not be home on Wednesday afternoons.)
